Dear Mr. Franklin:

I am herewith returning the four cards not turned in a week ago Sunday. Phillips live so far away now that they go to St. George's very seldom. LeRoy Taff is in the choir and I have seen him. I have been to his house once or twice to see the rest of the family but so far without success. The Wilkinsons feel too poor to make any pledges this year. Mrs. Wilkinson made a pledge the year before last. I have been to the Stoddards four times but have not found them in as yet. I have made a note to still chase up Taff and Stoddard.

Very truly yours,
